ACTIVITIES

Boston College Computer Science Society Member 2016 – Present
Participated in BC CSS events including hackathons, coding workshops, company information sessions and guest speakers. Here I interacted with other computer science students and professors, learning as much as I could about the job market and the subject itself.

Boston College Investment Club Member 2016 – Present
Attended weekly sessions about stock pitches and potential companies to invest in. Through the investment club, I learned about the stock market and basic finance and accounting.

4Boston 2017 – Present
4Boston is the largest service organization at Boston College. I participate in ABCD (Allston-Brighton Community Development) where I volunteer for 4 hours a week, tutoring and mentoring children and teens in the Allston-Brighton area.

Appalachia Volunteers

I participated in a 1-week trip to Detroit where I worked with the volunteers of Motown Mission. I worked at different placements including giving Paper Bags to the homeless, dry-walling and mudding at the foundry house, and doing arts and crafts for education needs.

INTERESTS: Reading, snowboarding, tennis, volunteer service, computer science languages.
